## WHY RECYCLE?

Separation of materials for recycling has been mandatory at the solid waste facility since 1990.

Each ton of waste that we send to a landfill costs the taxpayer approximately \$75.00 in disposal and transportation fees. Each ton of material we recycle saves this fee and also generates revenue back to the taxpayer, as shown below.

### TAX SAVINGS FROM RECYCLING

Year	Tons Recycled	Tax Offset
2004	1,342.1	\$190,024.52
2005	1,312.2	\$163,991.17
2006	1,656.4	\$277,736.81
2007	1,524.0	\$271,828.83
2008	1,492.3	\$294,242.41
2009	1,745.8	\$243,013.27

If you're a trivia buff, the 2008 tax savings, from recycling, paid the wages of all the full time staff working at the facility.
